“ Uncle Alex. If it isn't too much trouble, give all the family hugs from me and Natalie. Make sure you do that eye thing as well to make sure everyone has a good laugh. I'm sorry I couldn't be there to say goodbye, never been one good at goodbyes. But see you later sounds so much reassuring that when my day comes we can all hang out and crack jokes once again. I love you. Watch over all us. But specifically dad, he takes these days pretty tough and any light you can shed on him to remind him of all the great times would be much appreciated. Love you Uncle. Xoxo
