Dear Lucie,
I apologize for the delay in posting this. Margaret (we called her Margo) was my roommate in Mt. Pleasant for 16 years! You probably remember me. I was in absolute shock when I heard that she had passed away, and I am deeply sorry for your loss. Margo and I had some great times together over the years that she lived in my mobile home with me. We were involved in many activities at The Potter's House Family Worship Center in Mt. Pleasant together. Margo used to run the sound for the worship team, and we actually went to a worship conference in St. Louis, MO together back in the 1990s, along with the rest of the team. Margo and I also went to Christian conferences in Ann Arbor, MI and Toronto, Canada. We even went on a missions trip to Guatemala back in 1997. Traveling with Margo was always an adventure. Smile.

Margo was wonderful company, and would indeed be able to talk to anybody about anything. She was a marvelous photographer, and a very good listener. She had a gift for noticing strengths and interests that other people had, and connecting them with service opportunities at church, etc. I was very sad when she moved out in 2004 to live with your recently-widowed mother, but truly admired her commitment to serving her family. We stayed in touch mostly by email for quote awhile after she moved into an apartment in Marysville, but then she stopped answering my messages. As you can see from my tardiness in sending this message to you, I am terrible at keeping in touch; but I did wonder why she didn't email me anymore. I am so very sorry to hear of her lengthy battle with dementia. But I know she is having an amazing time in heaven, and I look forward to seeing her there myself some day. May God's comfort abound to you, Lucie, and to your entire family!

Margaret was my neighbor when she lived with Linda in Mt. Pleasant. I enjoyed her company and she was a great help when things needed fixing. I have missed her over the years she has been gone. I'm truly sorry for your loss Sue Courington
