“ O, dear Fran, I am so sorry about your passing. I would have wished you more years to enjoy your retirement and your grandchildren and travelling. You were the heart and soul of St. Edward School, a grandma to all the students and great friend to all the staff. I enjoyed working with you, sharing a story or a pastry. We laughed a lot and only cried a little. I hope God's angels brought you to Him and you are smiling down blessings on all of us facing a world without you in it. Helen Casper

“ Great memories of Fran at St. Edwards in the 90's --- She manned her desk with kindness, generosity and an open heart. Fran treated every student with love and respect. What a wonderful person and condolences to her much loved family.

“ I have the most wonderful memories of playing at the farm, looking for kittens in the hay mounds in the barn, gathering eggs, milking cows and family gatherings we had there. When both Aunt Marie, Uncle Pat and her parents Uncle Bob and Aunt Edna lived there. She was one of my favorite cousins She will be greatly missed
