“ Ray and I travelled together through Michigan and Northern Ohio on behalf of Marley Engineered Products for many years. He was one of my best personal friends and I miss him already. Ray was well read, articulate, and the true measure of being recognized as a professional. If I ever make it to Heaven, I look forward to reminiscing with him forever..

“ Ray was the epitome of a true gentleman. Every time I would see him he would ask how I was doing and how was my golf game and invite me for a round every time. Will surely be missed by all. No more pain. Already swinging a club in heaven I'm sure.
