“ Aunt Lorraine..what to say.. memories from when I was a child at the old farmhouse and spending time with you and Aunt Eva. Making pull apart Cinnamon bread and putting it by the heat registers for it to rise. Being on the same ferry to Mackinaw Island with my mom and dad when you and Uncle John were on your honeymoon. So many over the years. RIP and be happy again with all your loved ones who have gone before you.

“ Lorraine will be missed by so many people. She was a wonderful, caring, warm individual who made people feel so comfortable in her presence. She was kind, compassionate and always had something nice to say. I will never forget how friendly and sincere she was when I met her for the first time. May you rest in peace sweet Lorraine.

“ Janet, John, Julie, I just learned about your mom's passing. She was always such a dear and special person in my life. I will never forget her. She is and will remain one of the most precious people from my childhood memories now. My faith assures me she is at peace, but my heart is in pain knowing that she has passed from this earth. I know how much her friendship meant to my mother as well. We both feel blessed to have had your mom as part of our lives. My God comfort you during your time of grief.
