“ Many great memories of Roger at my parents house, Bob and Deb Baur. They helped him with anything he needed, going to Doctor appointments, getting him groceries and cooking meals, making sure he had enough wood for the winter, and so much more. I remember when he would come over and insist on cooking the burgers on the big easy for everyone. Then go for a ride on my dad's side by side before "heading back to the poor house!" Many good memories and laughs! You will be missed, rest in peace.

“ Roger was my first cousin. My family (Glema Layne, my mother) and I—5 girls—visited Michigan from Kentucky every summer for many years. Memories of Roger and Laurie, Aunt Lois and Uncle Harold bring a big smile to my face. We played, gardened, cooked, and had a laundry fairy who did all the laundry that 7 children would create in one day! This was the first time we girls experienced a laundry shoot to the basement. Aunt Lois was the best cook! Aunt Lois pierced my ears when I was 11 with a darning needle and raw potato behind the ear to steady the needle. Ice cubes to numb the ears was the worst with trust being the best. She pierced all of our ears and always knew the in information to beauty tricks. The last time I saw cousin Roger was when I was stationed in Germany in 1987. He is loved and will be missed. May he Rest In Peace.
