“ Ronnie, my friend/my brother. I've known you most of my life. You took me under your wing when I moved to Dearborn, and there I remained for a long time. We had so many memories, we laughed and we cried. We said we would always be kindred spirits no matter how far apart we were.

Rest my friend,

“ Dear Ron, you have been a part of my life for nearly 60 years. I have always loved you sending me e-mails that made me laugh or cry. My mother loved you and especially when you would come over and visit. She would always make you food you never left hungry. I will never forget the happy times we all had together at Maples and Fordson. You were always a joy to be around can not forget the times we would go to Daly's and eat the Daly burger with chili and pickles, fries and strawberry shortcake that's when we could eat all of that and never gain a pound. Will miss you and your smiling face dearly. Tell everyone in heaven we said hi especially Dennis. Love and will miss you. Joanne
