“ Stephen,

I have been thinking about you a lot the past couple days. I know we weren't very close throughout high school, but having basically every class with you and everyone else in the Honors Academy for three years were my favorite memories at Anchor Bay. Although our conversations were brief, it was always clear to me that you were such a lovely person. It breaks my heart that somebody so kind and intelligent had to go so soon. I wish you could read this to know that you impacted me. Rest easy, Stephen.

My prayers and condolences forever go out to the Dornan family and everyone else who was close to him. God bless you.

“ Son, I closed my eyes for a moment, and suddenly, a man stood where a boy used to be. I will always carry you in my heart and will cherish all of the beautiful memories. You have given me so many reasons to be proud of the man that you became, but the proudest moment for me is reading all of the wonderful stories about the impact you made in other's lives. The world is a better place because of you. I miss you so much Pal and I will always love you from the bottom of my heart. - Dad (aka Big Guy)

“ Stephen was the best grandson any grandparent could ever have. He was loving, kind, respectful, funny, always smiling...and best of all he liked spending time with us. We have so many wonderful memories of Stephen from sleepovers when he was little, to family vacations, holidays, outings, birthdays etc. We were so very blessed to have had him in our lives. We would have done anything for him. We miss him terribly as part of our hearts went with him. There is a place in our hearts where he will live on forever. Stephen I pray your at peace now. Love you with all our hearts!

“ Stephen was one of my very first squaddlings in marching band. He was always so serious and my favorite thing to do was get him to laugh. He had a radiant smile and a kind heart. He was intelligent and definitely touched a lot of lives. Rest peacefully Stephen.

“ Stephen was a bright light in our family. He was our son, Alec's, best friend since 2nd grade. We love him like he was our own son. We had the privilege of taking him on many family trips with us. Stephen, not one day will go by without us thinking of you and remembering how blessed we were to have you in our lives. Love, The Felker Family

“ Stephen was one of the best people I think I have ever met in my entire life. The time I spent with him was so special. His laugh was contagious, his humor was just like mine, we shared our love of video games and music. Any time we spent together was fun- we didn't have to do anything. Just his company was more than enough. He would drive all the way from campus to stay with me when I said I was lonely, or bring me soup at 1am when I was feeling sick. He was so selfless. He constantly helped me with homework- one of the smartest and most determined people I've met. His smile lit up our house. I went through a dark time myself- but he showed up every day. Called me every moment he could. I'm alive here today because of the things he has done for me. And for the rest of my life I won't forget that. He has made me a better person. I'm so thankful to have known him, and I will cherish our memories until the end. I love you, Stephen.
