“ It's funny, but my sister Sally and I were just talking about Aunt Virginia in the last few weeks, we didn't know where she was. We hadn't seen her for many years. The last time I saw her she had gone to my parents Garth and Lila Chappel's to visit them. She was always so beautiful, and I loved her visit and her smile. I remember being very young and playing with Randy and Sandy and Rex when we would visit Grandma and Grandpa Chappel. We are so sorry for the loss of her. I do wonder about my cousins quite often. Prayers and condolences. Dennis and Nancy Chappel Nelson

“ I' m so glad that I surprised Virginia last summer when I came home from Montana. We spent a wonderful afternoon together drinking beer just like in old times. I knew that it would be the last time that we would be together out there on Hall Road. You rest easy my Dear Cousin. Tell Danny that I'm still so grateful for all the help the he and Scott gave me to get moved. Love and miss him also so much. Now my Dear Cousin, you will be able to find out what happened to him once and for all.
