“ Adam-

*Today is October 16th...and I only just found out of your passing, through a mutual friend. We were good friends for well over a decade. I always enjoyed your company, as did my 2 kids. Your sense of humor was truly amazing, and your fun-loving personality stood out. I admired your strength of spirit & determination. You will be hugely missed by myself, and by so many others.*

*It's very hard to accept that you are gone! I have been shedding many tears and looking through some great photos of you. My thoughts, prayers and deepest condolences go out to all your family & close friends.*

*Until we meet again down the road, my beloved friend...rest easy in Heaven & watch over us all, as I am certain you always will.*

“ Adam was my lawn barber, former coworker and friend. He was not without his struggles as we all are, but a warm, kind and funny human being . My deepest, sincerest condolences to his parents, family and especially his son.

“ Adam,  
Bill and I remember when you were born.  
Watched you grow up and become a young man. Now today we come to say Farewell to you. We know that you're in a better place than we are, and that you're resting in God's arms. Watch over your Mom, Dad and brothers. They feel your loss the hardest.  
I will remember you and them in my prayers.  
Rest in Peace

“ *My heart is broken, to hear that Adam passed away. Way too young and too soon. He worked for me when he was a kid at sunshine drinks at the Macomb Mall. He was one funny kid. My thoughts and prayers to his family. Rest in peace Adam till we all meet again.*
