“ You do not know me. My niece and great niece,2, were in front of you, at cold stone. About a month or so, back. You were such a loving family. He was so happy with his ice cream. I am sure your hearts are so broke, But I could see he was so loved.

“ Dear Family, words seem to fall short when trying to express my sincere sympathies. My heart just breaks for your family. God knows the pain that you have and the many tears that you cry. In the days ahead as you reflect on Adin, may your hearts be moved by the beautiful memories that he left to cherish. May God soothe your aching hearts with his loving promise to reunite you together again in the future Paradise when he will bring an end to sickness, pain and even death. (Revelation 21:4, 5) You're in my prayers. (Acts 24:15)

“ *I am honored to say that this amazing little man has touched my life as well as MANY others!! He was compassionate and welcomed anyone to join in his happiness! My most favorite memory is when I asked him if his Grandma spoiled him and he literally adjusted himself into an upright position and looked at me like "you have no" idea and gave me the biggest smile!!! Thank you for sharing your Adin with us and allowing him to teach us what life is all about!!!*

“ Every time I saw him, he had a smile on his face. Quite honestly I do believe he was the happiest person I had ever had the pleasure of meeting. He was a trooper, and I know he's watching over his family with that precious smile still on his face. Goodbye little man.
