“ As kids together, Alan taught me what adventure was. To this day, my best memories are of the hours upon hours we spent exploring the forest and creeks that seemed to go on forever. I'll carry those memories of Alan with me for the rest of my life. Pat, Dave, and Emily my heart goes out to you.

“ I don't have any pictures with yah bud. Wish I did. You were a great friend who helped me see more value in myself and taught me to not settle for any less. You were there for me through my relationship struggles, let me know where I was going wrong and in general helped me be a better person. I lost sight of my goals with my kid. You reminded me of that. I miss yah man.

“ Dave & Pat,

I can't tell you how my heart hurts so much you both, and for Al. I'll always remember him out at the club fishing and shooting our Bow's together, or him racing around the club on that old bike I gave him.

Be at Peace, Al.
