“ *My dear friend Tom.... I am surely going to miss our morning coffee clutch...we always solved all the world's problems and told funny and sad stories of our lives...we poked fun and took the harassment that was dished out between us with a grain of salt....rest in peace my dear friend... I will keep a warm spot in my heart for your friendship and memories.....Johann*

Tom,

I'm already missing our morning coffee, conversations, and golf cart travels with your cigar in hand. You were a good friend. My deepest condolences go out to your family during this time.

Sincerely,

Michael Cawley
