“ *Hi dad, I really miss you and love you more than you would ever know. Not a day goes by, but I don't think about you. You have always been special to me. Thank you so much for being my beloved dad and friend! I know you're still watching over me when I think about you. I smile. You have a great sense of humor and have always made me laugh even when I didn't want to. God bless you, dad I love you so much.*

*Love your daughter,
Heather Smith*
