“ Dear Mom , words can't describe the way I'm feeling right now. You know I loved you with all my heart and soul. When I would visit you every day I would see your sad eyes and it broke my heart. There were many happy days with you and many sad days also. But I knew that you loved having me next to you. I will never forget all the happiness you brought to my life and many others. Many people loved you, and still do . May you rest in peace now God has you in his hands. I love you Mom and I miss you every day ❤️❤️🙏🙏😭😭

“ Dear Mom,

As much as I did not want you to go, I realized that it was time. You always gave so much of your heart to everyone. You were my best friend to me. We had a special bond that no one could ever take away from us. There are not enough words to describe what you meant to me. I will say this to you. Mom. I will miss our talks that we share together. The many laughs we shared, The many tears we cried. Will miss your presence and being with you. I know you're at peace now and with your family, children and many loved ones. I love you Mom with all my heart and we'll miss you. Until we meet again.....

Your Daughter, Deanna Mae

A Mother's Poem

*Mothers never really die, they just keep the house up in the sky,
they polish the Sun by day and light the stars that shine at night.
Night. They keep the moon beams silvery bright and in the heavenly
home above. They way too welcome those they love.*

“ Dear Mom,
You giving me so much from your heart, the warmth of your touch.
You've given me the gift of life and most of all You were my very
best friend. We had a very special bond which only comes from
God. I'm sure you would agree. There are not enough words I can
say to describe just how important you were to me. I will say this.
Mom. I will miss our little talks. We had together, the laughs that we
shared, the tears we cried. Cried. But most of all your presence and
just being with you. I know you are at peace now and with your
family, children and many loved ones. I loved you Mom with all my
heart. ❤️
Until we meet again....
Love your daughter,
Deanna Mae

“ You are like a second mom to me when we
were little kids. I was over your house often.
you always treated me with respect. I had a
brush with death a few years ago, so I know
you are truly at peace. I love you Alice.
