“ I'm very sorry to hear of Al's passing, he was a great guy, who's smile lit up any room he entered, all the years i've know him, he just seemed to enjoy life and all it had to offer. He was a simple , humble man, with a great outlook on life. I was with him the day before, and the week before that we were on a run together. He never seemed to let life get him down, I thinks that's what I'll remember most, his kindred spirit will live on, in all that knew him. As we look to the sky tonight we will see the star's shine a little brighter, lighting his path to his heavenly home. We all just gained another Angel, and in the biker community we shall ride no faster that our Angel's can fly. Ride free Al, and may you rest eternally in God's Grace, Peace, and Mercy...Catch you later

Allen you have been a big part of me for many years. Loved hanging out with you & doing so much together. I loved it when we went to Tennessee & Corey hooked us up. We did so much in Gatlinburg. I really liked it when we went White Water Rapping & you & Corey wanted to throw me over but I had my feet locked under the raft liner. Lol. And the food was out of this world. I have to say I finally beat you in eating. Lol So many memories, so much fun. I really liked it when you would take me on long motorcycle rides & my ass would be killing me & you would just laugh thinking it was so funny. Lol. Loved it when you called me

Pita ,(pain in the ass). I had to be with you. You loved it tho. The time when your Dad would always say why dont you guys get together. He would love me for a daughter in law

We would laugh & say we are like bro & sis that's it. Now what I know I wish we did hook up. Maybe you would be alive today😭 . I'm sure gonna miss you that's forsure. Wish you were here. Love you to Heaven & back💕😭 See you when the door opens. Love you, Pita💕
