“ Today I attended our 50th Class Reunion, was hoping to see you there, but now I know why, sorry to hear of your passing. Seems like just yesterday we were kids playing baseball in the fields between Susan and St. Joseph Streets. You were a great childhood friend of Joe Campbell.

“ Al was a Father to a boy he met at 6 years old....That boy didn't like him in the beginning because he made him mind his mother...Little did that boy know, that man would be his best friend and number 1 fan for the next 20+ years....An Angel that will forever be missed.
