

Alyssa C. Coomer

May 29, 1994 - April 20, 2020

Alyssa C. Coomer, age 25, of Sterling Heights, passed away on April 20, 2020. She was born on May 29, 1994, in East China Township.

It is with the heaviest of hearts and pain I must let family and friends know, we lost our daughter Alyssa. She was only 25 years old and was the sweetest, kindest person you could EVER know. She was a wonderful daughter, mother, fiancé, aunt, cousin, sister, niece, granddaughter and friend. She was such a funny, intelligent and amazingly selfless person. She loved her children and fiancé fiercely and there wasn't anything she wouldn't do for them. She wanted to be a nurse, had finished all of her pre-requisites and was waiting for her acceptance into Macomb Community College Nursing Program. We are just heart broken!!! and wish we could hit the rewind button and bring her back. We are comforted knowing that she was a Christian and that she went home to be with the Lord.

She is survived by her children; Ashton, Jayce, and Emma, mother, Cathleen Kaminski, father, John Kaminski, fiancé, James Keitz Jr., sisters; Courtney Coomer, Lauren Kaminski, and Jocelyn Kaminski, grandparents; Gary and Charlene Coomer, and John and Nancy Kaminski, aunts; Tracey Coomer, and Michelle Hatfield, uncles, Andrew Kaminski, Scott Hatfield and Chad Noetzel, along with several nieces, nephews and cousins, and fiance's parents; James Keitz Sr., and Tammy.

A memorial service will be held at a later date.

“ Alyssa was our beautiful granddaughter. I shouldn't say was because she still IS. She is alive in heaven where all of us who have Jesus as our Savior will see her again someday. I can't think about our family without her. She had the most beautiful smile and contagious laughter. You could only be happy when she was in the room. Rest in the arms of Jesus sweet girl. We'll see you soon. ~Grandma Char~

“ Alyssa brought alot of laughter and love to our family. She liked challenges and learning new things. Coming from a family stocked with boys she balanced out the playing field and gave us our darling Emma Louise. She had a genuine softness about her that when she told you she loved you, or cared about you, or appreciated you, (which she did often), you felt it. I know she loves Jimmy with all of her heart, and he loves her with all of his..reflecting on time spent with them will always make me smile. Alyssa loved fishing ..I laugh as I recall she being the only one to catch a perch after a long day of fishing and though there was only one she refused to toss it back because SHE caught it and was set to clean it and eat it! She liked knitting amongst many crafts, I laugh when I think of when she tried to teach me ..She was very patient,.... and understanding and always willing to lend a helping hand. She loved her children and never missed an oppurtunity to brag about thier accomplishments...even the smallest ones, a very proud mother..she would often call for no other reason but to share something about her kids. I sure am going to miss her funny, sweet, self... love you little girl, fly high ~ auntie Heather
