“ Hey baby girl. It's daddy. I've been thinking about u alot everyday! I miss u and love u more and more each day. Alot of the time I wonder why someone so precious and young like yourself can be taken away from all of us but then I remember and I keep telling myself that God has a plan in all of this and he needed u. I have trust and faith in what The Lord has planned for us and that's what helps me through this. That and the love and support of family and friends. Especially my loving wife. She has definately helped me through this. I love u Kathy Erard. Daddy and Mommy love u and miss u very much baby girl Alyssa. We will see u in the future baby girl. Love u

“ Brian and Katherine,
We are sadden to hear of your losing baby Alyssa Marie in death. Our grieving in the death of our loved ones seems like it will never end. Psalms 94:14 says "When anxieties overwhelmed me, You comforted and soothed me." As you deal with this numbing pain, notice that our Creator is able and willing to comfort and soothe all of you. Please allow him to do this as you read his promises for all of us in his word. For some of these please checkout www.jw.org for real hope for our loved ones.

“ Please accept our deepest sympathy. May it help you to know that the hearts of others are deeply touched by your loss. Even though our hearts ache. We can find comfort in the God of all comfort whose is near to those with a broken hearts.

“ Precious little angel Alyssa, i just want you to know how very much you are loved. I am so sad your life was so very short, but, in a way, i feel i knew you. Your mommy and daddy are very special people to me, please help them from Heaven, watch over them and send hugs down daily. I know that this may seem silly, but i had adopted you as my niece. Rest in peace sweet angel....love, "aunt Bev"
