“ *Andy. Where do i begin. I miss you already. We have been best friends for over 30 years. We have been thru everything together. There isn't one thing we have shared or been a part of, together. We were soul mates. Walking thru life's journey together. Now I'm so lost. As God put a fork in the road and we go in different directions. but we will meet again. Until then, my friend. I love and miss you. I'll never forget you or the times we shared. May peace be with you.*
