“ My heart goes out to each and every one of you. Andy was a great man . So friendly, warm and caring. I knew Andy from delivery. He was so happy, and at times he would go out of his way to make sure you got your medication. So sad. He will be dearly missed.
Sincerely

He was one of the sweetest man I know. We always talked about our birthdays. His November 2 mine November 3. We always made sure we told each other happy birthday right away on that days. Great conversations with him at work, loved hearing the stories about his wife and him and family members, and he was one very special person. Thoughts, love, and prayers always to his family friends and all the loans employees that remember the sweet man. Rest in peace Andy. I think about you on our birthdays
