“ *I have so many memories that I cannot begin to share here. Angie and I spent our last year of high school working at the GM Tech Center. We had a blast. We lost touch over the years and that saddens me. I think of her often and have so many fond memories that will be cherished. RIP my beautiful friend.*

“ I had one of my very best birthdays with Angie and friends. We went to an outdoor concert and had a wonderful time. Angie was whip-smart with a dazzling smile and an infectious laugh. She was a classmate I shall never forget.
