“ Kim and Mike, my heart breaks for you both, as well as your families. Your Mom was an amazing woman and I have never forgotten how she made me feel so welcome in your home and in general growing up. She is one beautiful soul, gone too soon. Although we haven't kept in touch, you all have been in my thoughts and I hope your memories of her give you comfort during this time of grief and healing. Here for you if you need anything...
Love you!
