“ I wish I could pay my respects in person. I've known Anna way back to the Ma Bell days when I DJ'd their Christmas party. Everyone knew and loved her, I remember thinking she was like the Ambassador for the People because they all seem to gravitate towards her. She used all good traits God gave her and it showed. There's a lot of expressions like "the glue that holds us together." "The Rock..." " Foundation" " the thread.." Anna surpassed them all! She did so gracefully in a true genuine manner, placing others before herself, always giving with kindness, & humbleness and the wisdom to know the differences. Our thoughts and prayers to her family.

Anna Betts blessed me with her friendship through music back in the early 1990's. She ALWAYS waddled over to me with a big smile and a friendly kiss as long as I've known her. This is the memory I'll have burned in my brain as long as I'm alive. She brightened my day with her genuine care and love everytime I saw her. Rest in Peace, Anna, and go be with your family waiting for you.

Anna was my first friend at Michigan Bell and we became lifelong friends. So many great adventures us girls shared! Life would have been dull without Anna. I'll miss your smiling face and will picture you and Jim dancing every time I hear Stand by Me. Rest in peace my friend till we all meet again!
