“ I always loved working with Dee. A great nurse and always funny and cheerful . She teased me about being younger than me. (Two months younger) We occasionally visited at Kroger.I will miss her smile.

“ Worked with Dee at Mercy in the 80's. She was a wonderful gal, and taught me a lot. She always had a smile on her face, and she loved her family. I hope she rests in peace.

“ Worked with Dee at Mercy Hospital. We worked hard but had a lot of fun. She was a hard worker and a good mom who always made sure her son went to school.
