“ *My memories with Toni are many. Going back to when we were just 11 years old. Toni was the best and most trusting friend I have ever had. We may have been many miles apart most of our adult lives but we never lost touch. I am so grateful that I had the opportunity to enjoy her company as well as her son Bob and daughter-in-law in September 2015. I will treasure that time forever. I will miss our many phone conversations and look to the day we will once again be united in our friendship.*
