“ Uncle Archie was one of the kindest and loving man. He always made us feel welcome in his home. I loved listening to his stories and looking for the "missing item" in his magazines. The picture I am posting is hung in our hallway for the girls to see their Uncle Archie and Aunt Donna. The day of the picture he pulled the misting fan out of the garage for the girls to play with. We sat and watched and laughed. What a great memory I will always cherish. We will miss you Uncle Archie.

“ *I am going to miss this wonderful man who I call Uncle. I was so grateful to him and Aunt Donna for going to see my Mom in the nursing home. After my Mom's passing I kind of adopted them as my substitute mom and dad. Uncle Archie was my casino buddy. We loved to go gambling. Don't worry Uncle Archie, Aunt Donna and I will keep going and play for you! Thank you for letting me share my thoughts with you and the great advice you gave. I love you immensely and will miss you very much!*

“ My whole life you've always been there with your smile and your laugh. All my memories of my life in Michigan has you in them. My favorite times were going to Canada with you, Aunt Donna and Aunt Barb gambling and eating fish and chips at the wharf. before we went home. I'll never forget when I was coming to Michigan with y'all from Colorado and you were driving through Nebraska on a holiday weekend and they got you speeding by a helicopter and the cops had a line of drivers they were taking to the mailbox to mail in your check for the tickets. The highlight of my trip. So many memories and all of them make me smile. You're gonna be missed. I love you. Thank you for being a wonderful uncle. May you be at peace. Tell my dad hi. Love Jeannie
