“ *Dance With My Father*

*Back when I was a child
Before life removed all the innocence
My father would lift me high
And dance with my mother and me
And then
Spin me around 'till I fell asleep
Then up the stairs he would carry me
And I knew for sure
I was loved*

*If I could get another chance
Another walk
Another dance with him
I'd play a song that would never ever end
How I'd love love love
To dance with my father again*

*When I and my mother
Would disagree
To get my way I would run
From her to him
He'd make me laugh just to comfort me
yeah yeah
Then finally make me do
Just what my mama said
Later that night when I was asleep
He left a dollar under my sheet
Never dreamed that he
Would be gone from me*

*If I could steal one final glance
One final step
One final dance with him
I'd play a song that would never ever end*

*'Cause I'd love love love to
Dance with my father again*

*Sometimes I'd listen outside her door
And I'd hear how mama would cry for him
I'd pray for her even more than me
I'd pray for her even more than me*

*I know I'm praying for much too much
But could you send her
The only man she loved
I know you don't do it usually
But Dear Lord
She's dying to dance with my father again*

*Every night I fall asleep
And this is all I ever dream*

*Dad it dont get no easier you are always in my mind I cry every
day/night I am just happy you not in pain no more I just need one of
your big bear hugs*

“ You were the best uncle i could ever asked for. I appreciate everything you did for me. Growing up, all the way up until I got my first place. I loved that I could be so open with you about things and know that you wouldn't judge me. You were one of the closest family I had. I know I didn't see you much. But the time that I did have with you will stay in my heart forever. 💕 I wish I could visit you one last time.. one last hug and goodbye. I love you uncle Archie💕 im going to miss your smiles and laughs. I hope your finally in peace.
