I just wanted to send my condolences Rachael... you don't know me, but my mother Kathleen Schrader and Art were like brother & sister when we grew up in St. Clair Shores. I just saw a vehicle today with a memorial to Art in the back window and I knew it must be him. Somewhere in our piles of photos I have some very old pics of him and my mom back in the 70's. Of all the people she knew then I remember him the most, because of his big smile and warm personality. I'm so sorry for your loss, he made everyone around him happy.
