“ *Tia your smile would light up a room!!!!!! I remember the times we got to spend as a family and I will always cherish those times. God blessed me when he sent you to me you renewed my faith in the Heavenly Father. We had our days when two stubborn people bump heads but through it all we were always family I will miss our heart to heart talks and coming home from work tired and you yelling "mutha" is home let's do something!!!!!! And sure enough I wasn't tired anymore. My heart breaks having to say goodbye but we will be together again I Love You forever!*
