“ Joni, your mom was one of a kind!! All the years I have known her I can honestly say I have never seen her mad. She would go out of her way to make anyone have a happy day. She would go without just to see somebody else smile 😊 I will always remember my memories with her, how she helped with my baby shower, and you too!!!! Your mom will be dearly missed but always remember she's not suffering anymore but I know it hurts we never want to lose the ones we love 😭😭 But remember I am here for you now and always!! I love ya 🍷🍷🍷🍷 Kimmi Harless
