“ *I lived down the street from Avis, and she was the most friendly individual in the neighborhood you could ever meet. I'm very saddened to learn of her passing, and will truly cherish all the time she and I got to spend visiting with each other, and all the laughter she brought me.*

I worked with Avis at Lakeport plastics. She is a wonderful hard working kind woman. I met her first riding the buses. She made everyone's day with a smile and contagious laugh. I'll miss her so very much.
