“ We were considered the twin cousins being 5 months apart. I have many good memories as kids growing up together. At about 12 years of age Barb had gotten her ears pierced. I spent the weekend at their house and she remedy that for me. She took a ice cube, potato and needle and went to work. Oh just to reminisce over the past. Good times and memories to match. Praying for all of you with much love and sympathy. Sandie
