“ Dear Shelley and Andy,

I was saddened to hear of your mothers' passing. I remember her so well, as well as all of your family, with fond memories. She had crossed my mind many times over the years and I wish I could have seen her again. She looks great in her photo, the same, except I miss her bun! I miss you all, you remain in my heart. I wish you well. And Shelley, I still like to recite the abc's backwards. Andy, hope to see you again someday. The old neighborhood isn't the same, that's for sure but, it was the best.

Shelly and Andy, I am so sorry for your loss. Your mother was a great neighbor and friend. My most vivid memory was her bringing my daughter (Jodi) home because she was lost only a half a block away. It was the beginning of 40 years of friendship.
