“ Miss Barbara was the sweetest , most caring person I've ever had the chance to know. She was for sure one of my favorite people. I was her mail carrier for a few years, the day we met there was an instant bond between us. She shared with me about her battle with Cancer and I shared with her my husband's battle with leukemia. There wasn't a day that went by that she hadn't asked about my husband, as I was concerned for her health daily as well. I send my condolences to her beautiful mother Betty and their family. Say Hi to my Momma for me Barbara, fly high my friend. 💕

“ I was so sorry to hear of Barb's passing. We were good friends in high school, especially in band. May she rest in peace.
