

Barbara C. White

June 21, 1954 - October 26, 2021

Barbara White was born 6/2/1954 in Birmingham, Mi. She passed away to our lord on 10/26/2021. She is survived by her sons Anthony and Keith Newton and her daughters Angela Newton and Bridget Sturza. Barbra was a strong, loving mother and independent woman who was passionate about music, spirituality, culture, family, living in the moment, and her work. She earned master's degrees in nursing from Wayne State and Michigan State while working at Detroit Receiving Hospital first in the ICU then NICU. She then found a new calling in Hawaii teaching and directing the nursing profession through the University of Hawaii. Although she missed her home in Michigan, she was very passionate about neonatal care and embraced the culture of the Islands fully. Barbara spent the rest of her life in Hawaii with family members from Michigan joining her there over the years. She was a proud member of the Mormon church and community. Barbara will be remembered and loved for giving everything she had to her family and her profession often without any regard to her own wellbeing. Her last act on this earth was a trip to Michigan to help take care of her newest granddaughter, Margaret. We are sure she is looking over Margaret and all her family from above now.

Services will be held Monday 12/13/21 at 10am. Hawai'i Kai LDS Mormon Church 219 Lunalilo Home Road, Honolulu, HI 96825.
