“ Today is my 72nd birthday, I wish I you were here because I know you would have called me and wished me a happy birthday. I can remember the day you came home from Port Huron Hospital. You were so small and fragile. I was 12 when you were born. We spent so much time together when you were growing up. You have so many tributes on this website, people really remember and cherish the good times you had with them. Now I am all alone except for Todd!! I am the oldest and only one left. It isn't suppose to be that way, however we go when the Lord calls. I will always love you and keep your memories in my heart. Until we meet again, you will always my baby brother, Barry.

“ I was saddened to just receive the news! Barry was a great person with a infectious smile, big heart and we shared many laughs. Barry always had a kind word for everyone he came in contact with.

Recently I had the pleasure of speaking to Barry over the telephone for hours sharing memories of growing up in Port Huron.

I will always remember the great time that his mother, sister Barb and myself shared while visiting uncle Paul and other relatives in northern Michigan many years ago.

Barry, you can now rest in peace and comfort my friend. You may be gone, but your legacy will live on forever.

Barb, my deepest sympathy and condolence to you and your relatives.

Warmly,

Robert Seim

“ Barb - so sorry Barry has passed. You and your siblings are my cousins. I was only at your home once when we were kids. Your mom was a cousin of my grandmother, Agnes Miller Burns. I will say a prayer and hope you gain comfort from your family and friends.

“ *BARB...So sad and sorry for the loss of your brother Barry. He was a dear friend & we shared laughs and good times years ago! He even gifted me with a monogrammed purse from the gift shop at the old REEF RESTAURANT in the 1970s!! His smile was his hallmark, as well as his kind personality. Rest in Peace Barry.
