“ My name is Louise Doyle and many years ago Bertha and John traveled with me as a tour operator with the St Thomas More church group. It was always nice to have them along with all of the other members of the church and their friends. I remember Bertha and John very well as they were very accommodating to the group trips. I also Peggy traveling with us to Africa. It was quite a trip and memories of all of the participants will stay with me in the years ahead. Apparently, Bertha lived a long life and God bless her and the family during this time of grief. Deepest sympathy, Louise And Dick Doyle
