“ Uncle Don, Donnie, Heather, Raymond, Sam and David; I'm so sorry for your loss! I hope in the days to come you find peace and comfort in the memories you had with her. I find myself reflecting back to all the crafts she made through the years and how nice it was to be included in receiving some of those masterpieces. From the Christmas ornaments, to the homemade earrings, bracelets and hair ties, the list goes on and on. I even still have my troll lamp she made me for my birthday when I was little, she was a special lady and will be truly missed. My thoughts and prayers are with all of you during this difficult time.

“ I have so many memories of this wonderful lady. She's been a big part of my life. My cousin. My babysitter who worked at A&W and always made sure she brought a gallon of root beer home for me. My friend. My weekly phone call to just talk late at night because I knew she'd be up. We had so many laughs over the years. She always checked in on me when i was going through the worse time of my life when I lost my dad and my husband. I love you Beth Ann and I'm going to miss your laugh, your smile and even your sarcasm. Thank you Don for sharing her with me. To her children you had such an amazing mom and she loved you all so much. To her grandkids, whom she loved so very much I feel for you and hope all of you find Some peace and comfort in the days ahead
