“ Betty was our neighbor on Charmwood and we instantly fell in love with her. She always had a smile that warmed your heart when you saw her. It was a sad day when we moved but periodically through the years we would stop and see her. When our old house came up for sale within the last few years, she drove to our house to tell us it was for sale and asked if we would consider moving back! I wish we could have because she was the best neighbor and we missed her dearly. Our deepest condolences to her family. May your fondest of memories help comfort you. I know our memories of her will always hold a special place in our hearts. We were fortunate to have known her. May she now Rest In Peace.

“ Although our time together on this earth was short, Ms. Betty planted her seeds with me. She was strong and spirited, gentle and sweet. I will remember tending her gardens with Debby, feeling her essence within the soil she enjoyed. Thank you Betty, Rest in peace, Jane Serra.

“ My deepest condolences to the family. Betty was a customer of mine, at Polka Dot Pandas, and one of my favorites! I loved to listen to her stories about her younger years, her neighborhood tea club and how she arrived in the United States. She'd talk for some time and then tell me she didn't want to bore me with her stories. Little did she know, I looked forward to her stories and loved that she would share them with me. She was a sweet, kind lady and will be missed. Prayers of comfort for your family.
