“ Dear Cindy, Rebecca and Liz, my condolences. You may not remember me because we were very young and a very short time together. If my memory is correct, I was visiting my cousins Hudzinski's farm on Perry rd. Somehow I ended up at your farm on Owens rd. Your dad asked me where I was from and your mom was holding Liz and asked me if I was hungry lol. Cindy and I went on an adventure to Joannes pond and the pit. After that we hung out in the barn. Rebecca was there too. I remember her having alot of energy lol. It's not much but the memory is very special to me!  
sincerely Daniel Sims
