“ My thoughts and prayers to her daughter, sons(wives) grandchild, and sister. Always such a beautiful smile, those dimples and sparkle in her eyes light up a room. Betty and I met in high school we were in each others lives for many years, but fell out of touch a few years back. I remember her and I going to Canada for my 21st birthday,(it was before I actually turned 21) it was supposed to be a big party but only her and I showed up, I tried every drink in the place, and somehow broke my middle finger in the bathroom door, Betty had to promise the owner of the bar that she would take me to the emergency room once we crossed back to port huron, which she did, then she had to take me home, wake up my dad and tell him what happened. I helped her move a few times, helped her with mom, dad, and children. Her, mom and I went to see Brooks and Dunn and Reba in concert. Again my prayers to the family.
