“ *Aunt Bev treated me like one of her own when we visited Maple road. Pushing us on the "happy swing", telling us Jeff was fibbing when he told Lori the bats would nest in our hair so we were scared to sleep in the tent. Hugs by the bonfire as we watched dad and Uncle Bill sing. She was full of love, laughter and smiles. See you on the flipside....until then I thank God for sharing you with me.*

“ Dear Jeff, Beth and Vicki and family,  
A true friend is hard to find. I did find one in Bev. She was always an encouragement to me. She had the gift of hospitality. I will miss her here but I look forward to seeing her in Heaven. I will be praying for God's comfort for you all.

Beverly was a most treasured sister of mine! She had a great sense of humor and ready smile. Kind & generous and always showed a sweet spirit of hospitality! I will MISS her very much and although gone from us for a while I will meet her again someday! She is more ALIVE today than she ever before. So when it's our time to leave this earth she will be there to greet us with a smile and say "WELCOME HOME"
