“ You were my husband, my friend, kind and generous, I never went without. It's been painful the last few years watching you get weaker and less mobile, you could no longer be the fun, active, ambitious man you were. I thank you for loving me, I will miss you dearly. It seems like 35 years just flew past us. Until we meet again❤️❤️❤️

“ You were my husband, my friend, we had many great times and a few not to great but after all we are human, the last several years have been so hard on you, not being able to be the energetic ambitious man that you are. You are at peace now, no more pain, no more discomfort. I thank you from the bottom of my heart for being for me 35 years seems like yesterday. We will meet again. I love you❤️❤️❤️
