

Bradley D. Withey

May 11, 1986 - December 27, 2024

Bradley Douglas Withey, 38, passed away on December 27th, 2024, after a long 3 year battle with cancer.

He was born on Mother's Day, May 11th 1986, in Port Huron, MI, and attended Peck schools for most of his life. After graduation, he enlisted in the US Navy where he proudly served as a Ceremonial Guard in the Presidential Honor Guard in Washington DC. He later played semi-pro football for the Macomb Strength, and even fought in an amateur MMA fight. He had numerous jobs throughout his short life but starting his own trucking company, Legacy Lines, was one of his greatest accomplishments.

Brad, as he was known to most, was a bright light in the lives of all who had the privilege of knowing him. His journey on this earth was one marked by love, bravery, and humor. His passing has left a void in the hearts of his family, friends, and many more whose lives were touched by him. We ask that you remember him not for the way his life ended, but for the way it was lived, and for the profound impact it had on the lives of those who had the pleasure of knowing him.

Brad is survived by his overly-patient and accepting wife, Dana, who was the love of his life. His son, Landyn, who was his greatest pride and joy, and son, Lucas (Bella) who he loved like his own. Brad is also survived by his birth

father, Doug Withey, his step-sister, Shauna (Jack) Sims, stepped-up Dad, Uncle Dana Waycaster, and stepped-in Mom, Aunt Gloria "2T" Day. Brad was the cherished grandson of Inez Waycaster and Nancy Withey. He also leaves behind his longtime friend Dale (Larissa) Hendra, and many aunts, uncles, cousins, in-laws and friends who adored him dearly.

He was preceded in death by his mother, Lisa Waycaster, Uncles; Bill Day and Darryl Withey, Grandpas; Binnie Waycaster and Jesse Withey, Grandma, Liz Dingwell, cousin, Tim Reno and Landyn's mom, Shawna Hilligus.

Brad found joy in music and the open road. He was a talented guitar player, and loved performing live with his best friend Dale. His love for long and fast drives on his motorcycle reflected his adventurous and free spirit. Those who knew Brad will remember him for his wild imagination, his kind heartedness and contagious laughter, his sarcastic humor, his strength and unwavering commitment to his job, family and friends. He will forever be in our hearts and missed very much everyday.

“ I did not know Brad for very long....but he made quite an impression on me. Dana....the way you described him, I now understand how that could happen. The first time I met him he had come to Shawna and Bobs to pick up Landyn for the weekend.....In his big beautiful truck. I was upstairs putting Brooky and Kennedy down for a nap. He came in and bounded up the stairs saying “where are those girls”. He went to Kennedy’s room and gave her a hug. Then to Brooklyn’s. She looked out her window and saw his big beautiful truck and asked if she could go for a ride in it. He told her she couldn’t as she had to take a nap. She said she didn’t want to take a nap. Then he said he was tired and wished he could take a nap. Then said “how about you drive my truck and I will take a nap. She just giggled and said “you’re silly Brad...I’m too little to drive that big truck.

I remember when you and Brad took the girls for the weekend while Shawna was in the hospital to give me a little break. So kind and thoughtful. He had an infectious smile and was a good lookin guy! (I can say that as I’m 80 years old! 😊.)

Dana.... I am sooo very sorry and sad for your and Landyn’s loss. My thoughts...and prayers that God will give you strength and peace through this sad time. 🙏 My love always, ~Ann~
