

Brandelyn D. Eason

May 7, 1973 - November 8, 2014

Brandelyn Demera Eason, 41, died unexpectedly from a pulmonary embolism on November 8, 2014 at Port Huron Hospital.

Brandy graduated from Cass City High School in 1991. She served with distinction as a Military Police Officer in the U.S. Army. Her work as a Home Health Aide was widely respected.

She loved her country, road trips, and all things Disney (except Minnie Mouse).

She will be greatly missed by her mother, Linda Willsey; her son, Brandon Eason; her partner, Kari Sparkman; her grandchildren, and many, many, aunts, uncles, cousins, and friends.

She had a laugh the size of Texas and it didn't compare to the enormity of her heart.

Services will be held Saturday, November 15 from 1300 - 1600 hours at:
VFW post 1008
1690 Airport Rd
Waterford, MI 48327

Donations in lieu of flowers may be made to:
