“ I love you, my beautiful dear cousin. It was fun growing up next door to you and when you lived with us at one time. I will forever remember your “silly” nicknames for me...we sure did have some fun times. Now you are at peace with no pain and I bet having a blast in Heaven with our moms and grandma. Give them all a kiss and hug from me. Til we meet again...Love, Maria

“ My heart is broken for her children and family but I'm happy she can be at peace. Brenda was a mentor and positive influence during some very critical times in my adolescence, I doubt she ever knew how much her support meant and will always mean to me. She will be sorely missed, but she will always live in my heart, looking fancy and with just the right amount of sass 🧡 RIP Brenda.

“ *My whole teen years and early adulthood I was able to spend time with no nicer of a person than Brenda. It was fun working with her and it was a privilege to have her and her family as a friend .*
