“ *My whole life I searched for the perfect dad. Finally late in my late teenage years there you were. The first time I saw you I thought oh jeez here we go again. Boy did you ever prove me wrong. You will forever be the angel watching over us all. Everyone keeps telling me "just remember the good times" but what they dont understand is thats all we ever had. I would do anything to hear you say love you kid one more time. ♡♡*
