“ *Such a tragic loss. We have lots of good memories with Brian and we are thankful for the life of Schuyler that he helped bring into this world, and raised up to be a good man. We considered Brian to be a good friend and father. My heart is truly broken for his wife Kelley and Schuyler and the rest of his family. If there's anything I can do to help just let me know. Rest In Peace Brian you will be forever missed.*

“ *Dear Turner Family-*

So sorry to hear about your loss. I worked with Brian at Pfizer Rochester. We had a few talks where he shared with me the love he had for his family. I said a rosary for him today. Always remember the good that he brought to your lives. Brian rest in Heaven.
