“ We are both so devastated about this, but I know that my bud is in a better place right now, and that he is visiting with his brother Jim, and those other brothers and sisters who went on before him. I know that I will miss him dearly, as he was my best friend, on this old earth, and I loved him dearly. And I can't forget to mention that he was the one responsible, for leading me back to the throne of grace. It was his living testimony that convinced me that I needed more than what I had, and for that I will be eternally grateful. He was an amazing person and a wonderful friend, and he will never be forgotten.

Su and I both pray that God will comfort you and your family during this trying time.

With much love for you and family.
